

World Health & Healing Order

1. In view of the persisting pandemic, World Health and Healing Order is perceived to neutralise the impact of the pandemic as also the raising sicknesses of various kinds.
2. Love and Compassion only can dissolve the persisting energies of the disease. Attacking the disease is futile and is reactive. With Love and Compassion coming from the greater ones is the key.
Omnia Vincit Amor (Love wins all)
3. Those of us, in the World Teacher Trust Groups or even other groups may select a friend and relate to Me (KPK) to form a triangle to heal. A global network of such triangles is a definite possibility due to our activity all over the Globe.
4. The process is simple. Just build a triangle by visualising that you and your friend are sitting with Me (K. Parvathi Kumar, KPK) as a Triangle, wherever you and your friend are physically located. Then make a pledge to serve humanity, to heal the world from the pandemic and other diseases as well.
5. Every Thursday and Sunday at 12 noon, the triangles need to sit in a short prayer and transmit energies to the surroundings.
6. The prayer:
 - a. Utter OM 3 times;
 - b. Then invoke the Masters by uttering the following:
Master Namaskaram;
Master CVV Namaskaram; Master MN Namaskaram;
Master EK Namaskaram; Master KPK Namaskaram;
Master Namaskaram.
 - c. Then stay silent for 5 minutes,
 - d. Then utter the following:
“Master please let us receive the influx of Thy plenty of Prana into our system, so that, we may resist disease, decay and death, realise the highest truth, the pure love and the bliss of existence and serve Humanity according to Thy Plan. Master Namaskaram.”
 - e. Then for 7 minutes visualise the descent of Master Energies into the triangle via KPK unto your heart via your Ajna. Try to feel abundant golden hue in the cave of your heart.
 - f. Then for 12 minutes distribute the energies by visualising the flow of energy from your heart, via throat centre, via shoulders, hands and palms.
 - g. Further visualise that the energies are transmitting in ever expanding waves all around you covering your surroundings, your region, your state, your nation and your continent and the globe.
 - h. Feel that the globe is filled with the Golden Hue energy emerging from you.
 - i. Conclude the Prayer with “OM SANTHI SANTHI SANTHI HI”.

7. When every triangle does this work, twice a week the energy encounters, with Love and Compassion, the Pandemic and other diseases to neutralize them and dissolve them.
8. This human effort is considered to be the immediate need. Members may participate in this grand service and become a member of the World Health and Healing Order (WHHO).
9. This service commences on 31st December 2020 after Sagittarius full moon on Thursday and continues ever. Please note 12 noon local time on Thursday and Sunday are ever dedicated to this work for life.
